

[Autotunefxteamair](#)

The screenshot displays the Autotunefxteamair software interface. At the top, there are four FX slots: FX 1 (PITCH FIX), FX 2 (CHOIR), FX 3 (REVERB), and FX 4 (COMPRESSOR). Below these is a performance section with a frequency spectrum display (0dB to 38dB) and a time display (H:00 M:00 S:27). To the right is a PROJECT NAME field containing 'Song 1'. The main control area features eight channels (1-8) with M/S buttons and Volume/Pan controls. At the bottom, there are transport buttons (PLAY, RECORD, REWIND, BOUNCE), a BANKS section (0, A, B, C, D, Hold to Store), and a TOOLS section (TOOLS, RECORDER, SONG, SETUP, ADD GEAR, ACCOUNT).
